• You must enrol all eligible dependents in the Extended Medical Plan in order for them to be covered.
LEVELS OF COVERAGE
There are three levels of coverage under the Extended Medical Benefits Plan:
1. Opt Out
2. Core
3. Enhanced

ENROLMENT UPON COMMENCEMENT OF EMPLOYMENT

Note: If you do not enrol, you will be without coverage in this benefit plan.

EFFECTIVE DATE OF COVERAGE
Coverage in the Extended Medical Benefits Plan will start immediately if you commence or are eligible for benefits on the first day of the bi-weekly pay period (which is Sunday). Your coverage is in effect for that pay period and the full premium will be deducted.

If you commence employment or are eligible for benefits on the second day of the pay period or later, your coverage will start on the first day of the following pay period and a full premium will be deducted from that bi-weekly paycheque.

## CHOICE TIME

Choice time is a specific time frame which occurs late May/early June each year and provides you with the opportunity to change your benefit coverage subject to the rules of each benefit plan. The Choice Time open enrolment dates are announced early in May at [www.psc.alberta.ca/choicetime](http://www.psc.alberta.ca/choicetime). You are responsible to check this website and make changes to your benefit coverage within the open enrolment period. Choice Time will be communicated via a number of venues, but will not be sent directly to each employee. Set yourself a reminder in May each year to check the website so you don’t miss out. The changes would be effective the first day of the pay period that includes July 1st. You may make the following changes under your extended medical coverage:

- You may increase one or two levels of coverage from Opt Out to Core or Enhanced, or from Core to Enhanced.
- You may decrease one level of coverage from Core to Opt Out or from Enhanced to Core.
- You may change your coverage class from Single to Family or Family to Single.

## LIFE EVENT

A Life Event occurs on:

- Marriage or meeting the requirements for a benefit partner;
- Divorce or death of a spouse;
- Dissolution of a benefit partner relationship or death of a benefit partner;
- Birth, adoption or guardianship of a first child;
- Change in your child’s eligibility that allows coverage under the GoA group plans;
- Dependent child’s loss of coverage under an individual or other parent’s benefit plans; or
- Employee’s and/or spouse or benefit partner’s loss of coverage under individual or group benefit plans.

Note:
- Once divorced an employee cannot provide coverage for an ex-spouse under the GoA benefit plans. If a court order indicates benefit coverage must be maintained for the ex-spouse the employee will need to purchase a private plan.
- Employees may need to repay the appropriate Trust for claims paid for an ineligible dependent.
EXTENDED MEDICAL BENEFITS PLAN

This handbook provides a summary of the principal features of the Extended Medical Benefits Plan for union employees of the Government of Alberta. The terms and conditions of the plan are governed by a Trust Agreement approved by the Government of Alberta.

By applying online through MyAGent or contacting your Ministry Pay and Benefits Office within 31 days following the occurrence of a Life Event, you may request the following changes to your extended medical coverage:

- You may increase one or two levels of coverage from Opt Out to Core or Enhanced, or from Core to Enhanced.
- You may change your coverage class from Single to Family or from Family to Single.

COORDINATION OF BENEFITS

If you have family coverage under one or more extended medical plans, you and your dependents may be eligible to coordinate benefits. Coordination of benefits is the process whereby an individual or family with multiple plans may coordinate claims to receive payment of up to 100% of eligible expenses from both plans combined.

You and your spouse or benefit partner should submit claims under your own benefit plan first. After you are reimbursed from that plan, you can submit a claim to the other plan to be reimbursed for any remaining eligible expense. If your spouse or benefit partner works for the Government of Alberta and is covered under this benefit plan or the 1st choice Extended Medical Plan, your claim will be coordinated by Alberta Blue Cross provided all the necessary information has been submitted. If your dependent children are covered under both your plan and your spouse or benefit partner’s plan, the claim should first be submitted to the plan of the parent with the birthday earliest in the calendar year, then to the other parent’s plan.

TERMINATION OF COVERAGE

Your MyCHOICE Extended Medical Plan coverage ceases on:

- The last day of the pay period:
  - that you terminate coverage; or
  - when the dependent is no longer a spouse or benefit partner as defined under the plan; or
  - when the dependent/guardian child no longer meets the eligibility requirements as defined under this plan.

- 90 days after your date of death if the dependent remains eligible (refer to Section on SURVIVOR BENEFITS).

Note: Employees may be required to repay the appropriate Trust for claims paid for an ineligible dependent.

CLAIM PROCEDURES

For some services, providers will directly bill Alberta Blue Cross for services provided to you. If this method is used, you will only be required to pay the amount not covered by your Plan, otherwise, you will be required to pay the full cost and submit a claim to Alberta Blue Cross for reimbursement.

HOSPITAL BENEFITS

In Alberta, present your Alberta Blue Cross identification card at the hospital for direct billing.

OTHER MEDICAL EXPENSES

CONSIDERATIONS IN CHOOSING EXTENDED MEDICAL BENEFITS COVERAGE

- Think about your present and anticipated need of such things as eye exams, eyeglasses, paramedical practitioners (i.e., chiropractor, physiotherapist, etc.) — both for yourself and your family
- Do you have coverage through your spouse or benefit partner’s employer?
- Do you have a need for those items available in the Enhanced coverage?
- How comfortable are you that Alberta Health Care and your personal resources would provide adequate coverage for unanticipated medical expenses?
- Are you better off paying a higher premium for two or more years for the Enhanced coverage or paying out-of-pocket for the expenses if incurred?
- If you want the Enhanced coverage for the emergency travel coverage, is it cheaper to buy this coverage on your own? Will you always remember to buy it whenever you travel outside Canada?
